Rio de Janeiro: Hang Gliding in Rio de Janeiro Brazil. Just Fly Rio Professional Instructors. Tandem Flight from Pedra Bonita with professional instructor Paulo Celani. São Conrado is a neighborhood in the South Zone of the city of Rio de Janeiro, Brazil. It is nestled in between the neighborhoods of Barra da Tijuca to the southwest and Leblon to the northeast. The neighborhood takes its name from a small church, Igreja de São Conrado (Church of São Conrado), which was constructed early in the 20th century by Conrado Jacob Niemeyer (1831-1905). São Conrado, which ranks as one of the areas with the highest Human Development Index in Brazil, presents a stark contrast to Rocinha on its border, which is one of the largest and poorest favelas in Brazil.
